**Hauppauge, NY** - Great Hollow Middle School won UCP of Suffolk's 2015 Middle School Trivia Finals sponsored by Astoria Bank at The Children's Center at UCP Suffolk.

Students from Accomsett, Elwood, Great Hollow and Nesaquake Schools were asked questions in an array of categories including history, mathematics, current events, geography and sports.

Tracy Burgess Levy, Director of Business Relations of Banker Construction Corporation served as the event's moderator. She has moderated the UCP of Suffolk Trivia Finals for more than 15 years.

The students asked family and friends to sponsor them with donations to UCP of Suffolk based upon the anticipated number of correct answers they hoped to achieve prior to the competition.

Sheila Tobin Cavooris, a teacher at Great Hollow Middle School, said she is very proud of her students. "I commend them more for the charitable work that they did more than winning, which was the icing on the cake," she said.

Over 15 Suffolk County schools raised almost \$15,000 to date to support our programs through the Trivia Campaign.

For more information on the Trivia Challenge or to get your local schools involved, call the Development Department at 631-232-0015 or visit our website at [ucp-suffolk.org](http://ucp-suffolk.org).

**United Cerebral Palsy Association of Greater Suffolk, Inc.** (UCP of Suffolk) For over 60 years, UCP of Suffolk has been committed to advancing the independence, productivity, and full citizenship of people with disabilities by creating *Life Without Limits*. UCP of Suffolk provides programs and services to almost 3,500 children and adults with a variety of disabilities annually. The Children's Center at UCP of Suffolk offers early intervention, preschool and school aged programs. The agency provides Adult Day services which include Day Treatment, Day Habilitation and Respite programs, and job training and placement services. In addition, UCP of Suffolk owns and operates 31 residences throughout Suffolk County, a twelve unit apartment complex, and a comprehensive, fully accessible Health Center.
