## **HTx Interns Build Special Bond With UCP of Long Island Students**

**HTx Interns with student Angie**

**Commack , NY (August 17, 2016)** – Interns from HTx Services’ Summer Internship Program recently spent a day with students at The Children’s Center at UCP of Long Island during the school’s Summer Carnival. Fifteen interns volunteered, helping students play carnival games, pet zoo animals and other fun-filled activities.

“The carnival was a great success thanks to the interns who spent their day at the school,” said Principal Sherri Glazer. “The interns assisted our students throughout the day, as well as encouraged and congratulated them while playing the carnival games. Moments like these stay with the children and help to build their confidence.”

HTx Services is a global IT and ATM services corporation dedicated to providing customer focused support across multiple technology platforms. Its summer program consists of students from various national colleges and several local high schools. The mission of the program is to help students take classroom learned business practices and apply it to the corporate business world, while encouraging them to grow on a personal and professional level.

“We are very thankful to HTx Services and its interns for making such a memorable day for our students,” Glazer said. “Our children made some new friends!”

The Children’s Center is in the forefront of Early Intervention, Preschool, and School Age programming, serving over 75 infants and children with disabilities. The Center uses specialty programs such as a feeding program - Food Exploration and Sensory Techniques (F.E.A.S.T.) and assistive technology services. The school continues to introduce new and innovative programs designed to meet the needs of children with disabilities and their families.

*For over 65 years, UCP of Long Island has been committed to advancing the independence, productivity, and full citizenship of people with disabilities by creating **Life Without Limits**. UCP of Long Island provides programs and services to over 3,500 children and adults with a variety of disabilities annually. The Children’s Center at UCP of Long Island offers early intervention, preschool and school aged programs. The agency provides Adult Day services which include Day Treatment, Day Habilitation and Respite programs, and job training and placement services. In addition, UCP of Long Island has 31 residences and a 12-unit apartment complex in Suffolk County for individuals with disabilities. It also provides comprehensive medical and dental service in a fully accessible health center.*
