### UCP of Long Island held its Night in Monte Carlo: Celebration of Art, Music & Fashion

**Hauppauge, NY** – United Cerebral Palsy of Long Island once again held its popular “A Night in Monte Carlo” event at the Larkfield in East Northport, NY on Wednesday, April 18<sup>th</sup> at 6:30 p.m. More than 280 friends and supporters were in attendance and thanks to their support our goal of \$100,000 was reached.

“The event was undoubtedly an evening filled with excitement, entertainment, excellent cuisine, and exemplary company, all in support of a truly wonderful organization”, said Thomas Pfundstein, Senior Vice President Corporate Planning at BNB Bank, UCP Board Chair and Parent. “It truly brought the community together to benefit the individuals we serve.”

UCP of Long Island recognizes its major sponsors Sterling National Bank, The Carol and Arnold Wolowitz Foundation, Arbor, BNB Bank, Esquire Bank, HUB, K&S, Jackson Lewis PC, People’s United Bank, Prudential, The Pfundstein Family, and Signature Bank for their generous support.

“Sterling National Bank was thrilled to be one of the major sponsors in making our event a huge success. Through the generosity of our supporters, we will be able to make a difference in the lives of those we serve”, said Javier Evans, Executive Vice President at Sterling National Bank, UCP Board Member and Committee Member. “The funds raised, will help support our mission of creating *Life Without Limits* for people with disabilities”.

The evening featured a cocktail reception, followed by an elegant buffet dinner and extensive Viennese display. The Staller Center of the Arts provided musical entertainment to our guests reminiscent of Great Gatsby’s “Ragtime”. Guests enjoyed gaming by Event Kings, luxury cars courtesy of Velocity Driving and art pieces created by talented UCP-LI artists. Fashion was provided by Chico’s and Edward Alan Big & Tall. Silent auction items and raffles also featured items by local jewelry designer, Stephanie Occhipinti Designs and Triple Crown Fundraising.
